**TOWN CENTER PARK**  
**TOWN CENTER DRIVE @ SPRING FARM**  
**LANE**

**Lot Size:** 500ft x 300ft

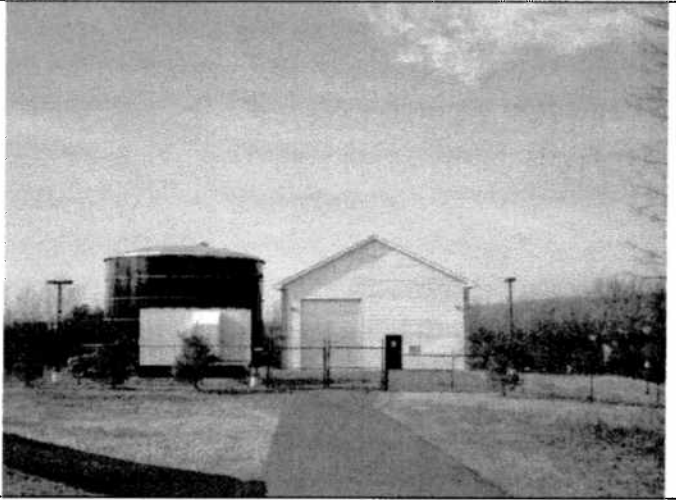

**Details:** Mow and trim grass. Blow sidewalks.

**KINGSRIDGE WATER FILTRATION PLANT**  
**1 TILGHAM PLACE**

**Lot Size:** 125ft x 130ft

**Details:** Mow and trim the entire area within the fence. Mow around exterior perimeter of fence as needed to keep plant growth out of chain-link.

**HERITAGE HIGHLANDS WATER**  
**FILTRATION PLANT**  
**43 A HARPERS MILL WAY**

**Lot Size:** 125ft x 125ft

**Details:** Mow the entire area within the chain link fence. Mow and trim around exterior perimeter of fence as needed to keep plant growth out of chain-link.

**PARK PLACE WATER FILTRATION PLANT**  
**26 A PARK PLACE**

**Lot Size:** 100ft x 100ft

**Details:** Mow and trim the entire area within the chain link fence.

**ELEVATED WATER STORAGE TOWER**  
**14 A QUARTER BRANCH ROAD**

**Lot Size:** 110ft x 130ft

**Details:** Mow and trim the entire area within the fence (excluding the individually fenced communications equipment). Mow and trim outside the fence to the property line, including around the Leyland Cypress tree buffer.

**WELL #3 SITE**  
**BEHIND BB&T BANK (E. BROAD WAY)**

**Lot Size:** 100ft x 100ft

**Details:** Mow and trim the entire area within the chain link fence. Some area is covered with stone and gravel.

**WASTEWATER TREATMENT PLANT**  
**39183 IRISH CORNER ROAD**

**Lot Size:** 200ft x 250ft

**Details:** Mow the entire area within the chain link fence. The mowing area will be greatly reduced this season because of current construction activity. Mow between the fence and Irish Corner Road. Trim 20 ft south of the outfall pipe along creek to allow for water sampling.
